

Dräger X-plore® 7300 Powered Air Purifying Respirator

The Dräger X-plore® 7300 is the suitable powered air purifying respirator when it comes to protection against hazardous particles. Ideal for use in dusty atmospheres: including grinding and wood work applications, various types of welding, and pharmaceutical applications.

The extraordinary comfort is a result of the combination of ergonomic design and low weight. Flexibility is guaranteed – you can choose your headpiece from the wide range of Dräger X-plore® hoods, helmets and visors, the Dräger X-plore® 4740 half masks and the Dräger X-plore® 6000 full face masks specific to your application. These headpieces can also be used with the Dräger X-plore® 7500 and 9000 series.

Excellent safety is provided by the audible and visual warnings of the Dräger X-plore® 7300. Regardless of whether the filter life is exhausted, the battery capacity is low, the breathing resistance increases, or the airflow decreases – any potentially hazardous situation is clearly indicated by the flashing display and an acoustic alarm signal.

In addition, the multifunctional operating display allows you to monitor the battery status and filter capacity at the touch of a button. You can also adjust the airflow to fit your individual needs.

The Dräger X-plore® 7300 works when you do. The rechargeable NiMH battery operates for a period of up to 15 hours. The battery is mounted directly onto the blower so there are no cables to get you caught up, allowing for freedom of movement and increased safety.

Dräger X-plore® 7300 – another quality product from Dräger.

Dräger X-plore® 7300
Powered air purifying respirator against hazardous particles.

TECHNICAL DATA

Description:	Powered Air Purifying Respirator for protection against particles
Approval:	EN 12941 with Dräger X-plore® Helmets, hoods and visors EN 12942 with Dräger X-plore® 4740/6000 half and full face masks
Airflow:	Adjustable between 140 - 210 liters per minute
Battery:	NiMH rechargeable battery 4.8 V/4.5 Ah Individual charger with overcharge protection
Weight:	900 grams (blower unit with battery and filter)
Filter class:	TH3 P SL R with Dräger X-plore® Helmets, hoods and visors TM3 P SL R with Dräger X-plore® 4740/6000 half and full face masks
Operating period:	6 - 15 hours (depending on the adjusted flow and the concentration of contaminants)

ORDER INFORMATION

According to your specific application you can compile your individual set under the modular system order code R 57 300 from these components:

Dräger X-plore® 7300 Blower unit	R 56 750
Dräger X-plore® 7300 NIMH Battery	R 55 343
Dräger X-plore® 7300 Battery charger EU	R 55 156
Dräger X-plore® 7300 Battery charger UK	R 55 427

Comfort belts:

Dräger X-plore® 7000 Comfort belt standard	R 55 362
Dräger X-plore® 7000 Comfort belt premium	R 55 363

Corrugated hoses:

Dräger X-plore® 7000 Corrugated hose TH2	R 56 704
Dräger X-plore® 7000 Corrugated hose TH3	R 55 571
Dräger X-plore® 7000 Corrugated hose TM2/TM3	R 55 342

Filter

Dräger X-plore® 7300 Filter TH/M3 P SL R	67 36 715
Dräger X-plore® 7300 Pre-filter (10 pcs.)	67 36 716
Dräger X-plore® 7300 Odour filter (10 pcs.)	67 36 717

Hoods, helmets and visors:

Dräger X-plore® Short hood, grey TH2	R 56 736
Dräger X-plore® Short hood, orange TH2	R 56 737
Dräger X-plore® Long hood, grey TH2	R 56 738
Dräger X-plore® Long hood, orange TH2	R 56 739
Dräger X-plore® Long hood, white TH3	R 56 740
Dräger X-plore® Protective face shield (PC) TH2	R 56 746
Dräger X-plore® Protective face shield (AC) TH2	R 56 728
Dräger X-plore® Protective helmet with visor TH2	R 56 747
Dräger X-plore® Welding visor TH2	R 55 348

Half and full face masks:

Dräger X-plore® 4740 TPE	R 55 876
Dräger X-plore® 4740 silicone S/M	R 55 875
Dräger X-plore® 4740 silicone M/L	R 55 874
Dräger X-plore® 6300	R 55 800
Dräger X-plore® 6530 PC	R 55 795
Dräger X-plore® 6300 Triplex	R 55 810
Dräger X-plore® 6570 PC	R 55 790
Dräger X-plore® 6300 Triplex	R 55 850
